

# Summer Senior Club

Our theme this year is renewal. The Oxford dictionary defines renewal as an instance of resuming an activity or a state of interruption. Don't we all know this well as the whole world experienced the pandemic in the last three years, and our lives were in an instant changed. The Bible talks not only of physical, bodily renewal, but also the renewal of the mind and soul. Let's explore the verses together in our devotion time.

This 10-week program is conducted between June – August for seniors from churches. You will receive a workbook of activities, and get two calls per week to join group activities. No need to remember when or how to join; just pick up the phone when it rings. We will program the caller ID to show that it is from your church. Groups will be formed with members from the same church where possible so they can participate with their friends.

There will be a party for all at the end of the Summer Senior Club at Peninsula Bible Church, Palo Alto.
