A stylized representation of the Earth, showing continents and oceans. The planet is centered and appears to be surrounded by or emitting two distinct energy fields. On the left side, there is a bright green, ethereal glow with wispy, smoke-like patterns. On the right side, there is a bright blue, ethereal glow with similar wispy patterns. The overall background is dark, making the glowing elements stand out. The text 'BETWEEN 2 WORLDS' is superimposed over the center of the planet.

The background features a dark, textured sphere representing Earth, centered in the frame. It is surrounded by a vibrant, ethereal glow. On the left side, a bright green light emanates, resembling a nebula or a powerful energy field. On the right side, a bright blue light emanates, also resembling a nebula or energy field. The overall effect is a cosmic, high-tech aesthetic.
