Questions for Reflection and Discussion

Luke 15

1. Which comes first in the process of salvation: repentance or grace—and what difference does that make?
2. What is it that brings the greatest joy in heaven, and how can we share even more in that heavenly joy?
3. Over what matters do you show the most urgency in life, and how should you shift your sense of urgency to more weighty matters?
4. What motivated you to trust in Jesus in the first place, and why is that important for us to remember?
5. Which son do you most identify with in this story, or do you see some of both sons in yourself? How should you respond?
