Questions for Reflection and Discussion

Psalm 92:4-5a

1. When was the last time you intentionally surrounded yourself with God's works in creation and praised Him for it? How did it impact your attitude and outlook on life?
2. In what ways has God's work in nature contributed to the well-being of your life?
3. On a scale of 1-10, how glad are you today? What does your present condition say about the condition of your relationship with God?
4. In what way is singing a part of your life, if at all? Have you ever burst out in song or words of praise because of the impact of God's work on your life?
5. In what ways can singing be a pretty good gauge of a person's walk with God? In what ways might it not be an accurate gauge of a person's connection to God?
6. What could you do this week to fill your soul by taking in God's works? Is that something you will make time for? What do you hope will come out of that time of reflection on God and His works?
