Questions for Reflection and Discussion

Ecclesiastes 3:16-4:16

1. Can you think of a time in your life when you learned something significant from something you intentionally looked at with a learning intent? How did what you learn impact your life?
2. Think and talk through the six learnings that Solomon wrote about in this Scripture passage. Summarize each learning and how it could relate to your life right now.
 - 1st learning: _____
 - 2nd learning: _____
 - 3rd learning: _____
 - 4th learning: _____
 - 5th learning: _____
 - 6th learning: _____
3. In what one or two ways is God working in your life right now to teach you something important? What do you see? How can you benefit by what you see so that your life and impact is better for it?
