

HERE IS *OUR* *HOPE*

Ours is a world that could use an infusion of hope. A lot of hope. Let's face it, with all that's happening around us—in our cities, in our nation, and in our world—a large dose of hope is needed and welcome.

The story of Christmas is a story of hope. Genuine hope. Ginormous hope. Life-changing hope.

It's not an "I hope so" kind of hope. It's definite. Guaranteed. A sure reality. How that's possible will be our focus this year on Christmas Eve.
