**Questions for Reflection and Discussion**

Isaiah 2:17-21, 66:2, 30:29-30, 41:10,13-14, 8:13-14, 11:3

1. Which do you tend to downplay more: God's compassion or God's wrath? What do you think you are missing by downplaying that part of God's character?
2. Reflect on the concept of fearing God. Why would God instruct us to tremble before Him?
3. How might fearing God lead us to fear not?
4. Which needs to increase in your life more: fear of God or fearlessness because God is with you? What steps could you take to increase what is lacking?
5. How would you respond to someone who said there is happiness and hope outside of God?
6. What terrifies you more often: being away from God or not getting something in this world you want?
