### Questions for Reflection and Discussion

Psalm 16

1. When you hear the word "worship," what typically comes to mind?
2. Is it more of a burden or a relief to hear that worship is so much more than ritual or religious practice? Why?
3. Out of the (at least) 7 different aspects of worship listed in Psalm 16, which most frequently describes your worship of God? Least frequently?
4. Given the extensive description of what worship is in Psalm 16, what else, besides God, do you worship?
5. When have you experienced the "law of diminishing returns" when you worshiped something other than God?
6. When have you experienced the "law of increasing returns" when you worshiped God?
7. What practices have helped you gain more delight in the Lord? What practices have diminished your delight in the Lord?
