Questions for Reflection and Discussion

Deuteronomy 30:6, 11-19

1. What, if anything, was unclear about the message?
2. Have you ever been in one of the three groups: crushed by the law, prideful over your obedience to the law, or confused by the law? Which one?
3. In what ways does Jesus comfort the crushed, humble the prideful, and instruct the confused in regard to the law?
4. When are you most likely to believe that obedience earns God's blessing?
5. What would change in your life if you believed that you were already blessed by God through faith in Christ?
6. Reflect on the difference between believing the "rules" in the New Testament are requirements to earn something from God versus believing they are ways in which we can express our love and gratitude toward God. What effects would result from believing one versus the other?
