## Questions for Reflection and Discussion

Ephesians 2

The problem of sin:

What the solution isn't:

What the solution is:

One effect of grace in our lives:

1. When were times that you were especially aware of God's grace to you?
2. How would you describe God's grace to someone who has never experienced it?
3. What have you found that helps keep God's grace fresh to you on a daily basis?
4. In what ways has God's grace changed you as a person?
5. When have you felt unity with another person simply because you had both experienced God's grace—even if you had nothing else in common?
6. Do you typically feel more united with a Christian who drastically differs from you in all other ways (ethnically, socio-economically, politically, etc.), or a non-Christian who aligns with you in those other ways? Why?
