Questions for Reflection and Discussion

Deuteronomy 6:10-12; 8:10-14,17-18

Exodus 12:13-14; 13:3,6-9,14

Deuteronomy 4:34; 26:8

Three basic actions:

1. Remember

2. Use

3. Rely

1. In what ways do you tend to "forget God"? Have you experienced that in the past?
2. In what ways has your relationship with God been negatively impacted by the "stuff" that you've accumulated or that fills up your time?
3. What about pride, ego, or arrogance drives a wedge between people and God?
4. Recall a few spiritual highs in your life. What happened and how did it impact you? Are you still impacted by remembering these past experiences?
5. What reminders have helped you mature in your faith? Finish this sentence: "I would not be the person I am without..."
6. Where do you need God's powerful hand to intervene in your life right now?
7. How does God's incomparably great power in saving the Israelites from their Egyptian bondage give you the assurance that you've been saved from your sins?
