Questions for Reflection and Discussion

Habakkuk 3:17-19

Why such sorrow:

Why such joy:

1. How do you typically comfort yourself in difficult seasons?
2. Why do we sometimes feel we must find the silver lining in any situation, even if there really isn't one?
3. Why can the same hardship make some people more kind and patient while making other people completely fall into pieces?
4. How do you know if you are hoping in the Lord and finding your strength in Him versus hoping the situation will get better? What difference (if any) would it make for the joy you feel?
5. Can we discover the Lord is all we really need without being in a situation where He is all that we have? Why or why not?
6. In what ways are you rejoicing in who the Lord is today? (Not in the things He has provided you).
