

LACS Learning Support Program

1st-8th Grade

Is your Child Struggling with Spelling, Reading and/or Writing?

Our Focus

LACS is a welcoming community where each student's inherent value and worth are recognized and affirmed. Students are encouraged and inspired to develop their unique gifts and talents.

Who Benefits Most from our Learning Support Program?

Students who have challenges with:

- Reading (decoding, fluency, comprehension)
- Auditory processing (listening)
- Oral expression or word retrieval
- Oral comprehension
- Writing (grammar, spelling, mechanics)
- Math

What We Offer

- 1 Wilson Reading System (Orton-Gillingham approach). Multi-sensory/hands-on approach to teaching all core classes.
- 2 Parent/teacher conferences - Teacher team meetings.
- 3 Individual Student Support Plans or 504 Plans (Includes students goals and accommodations).
- 4 Use of assistive technology: Speech to Text, Text Readers, audiobooks etc.
- 5 Integration with our neurotypical student population.

Teacher/Student Ratios

1:12 or smaller
