Where the problem starts:

How the problem grows:

The solution:

Questions for Reflection and Discussion

Esther 2:19-3:15

1. When have you seen someone's ego make a situation much worse?
2. What helps you stay calm and collected when someone has offended you or made you feel unappreciated or unrecognized?
3. When have you witnessed someone making derogatory comments about an entire group or demographic of people? What did you say in response? What would you say if you witnessed the same comments again?
4. When have you felt frustrated with an entire group or demographic of people? How did you deal with it? Was anything helpful in tempering your feelings?
5. Think about the problems you've experienced throughout your life. Which ones has God resolved? Which ones are ongoing?
6. When have you noticed that God had an answer in place to resolve a problem before the problem ever occurred?
