## Questions for Reflection and Discussion

Esther 8

1. What reversals have you seen God accomplish in your life? What effect did they have on you?
2. What are the advantages/disadvantages for God reversing tragedies/heartbreaks/evils in our lives versus preventing them from ever happening in the first place?
3. What reversals are you still waiting for God to accomplish?
4. What have you noticed God developing within you while you wait?
5. What has given you hope, peace, and patience while you wait?
6. Since God is eventually going to reverse all of the evil, sin, sickness, sadness, and death in our world, what is our role in the meantime? Do we have a part to play besides waiting?
