Questions for Reflection and Discussion

Ephesians 5:1-21

Why over what:

1. When you receive a gift, do you feel any responsibility to use it well? Why or why not?
2. How often do you consider time a gift? What difference might it make in your life if this concept was always on your mind?
3. What are wise and unwise uses of our time? How do we know the difference?

Others over self:

4. How does Jesus' use of time inform us about the proper use of time?
5. What are some ways you feel like you are currently using your time well?
6. What are some ways you feel like you are currently wasting your time?

Jesus over all:

7. What are some ways you can modify your use of time in order to use it well?
